Late night appointments available.

### Location Sessions

Sessions are available throughout the UK & £100 minimum spend is required.

### Adorable Angels Loyalty Scheme £30

(available Wednesday to Friday)

3 sessions over 18 months with a complimentary 7x5" each visit. Using various backdrops and props Helen will create adorable baby photos that you will cherish a lifetime. During the session there will be time for outfit changes, nappy changing and feeding.

We advise the sessions to be taken at either of the following stages:

- 5-14 days old,
- The bouncing baby stage when they start to hold their heads alone
- When they start to sit up
- When they start to crawl
- Stand hold themselves against something
- When they start to walk

Available for babies from birth to 18 months. Parents and siblings can be included in the session for free.

### Vintage Shoot - £25

For the customer looking for something a little different. Helen's talent and classical approach will create a unique fine art image of your child using vintage props, various backgrounds in the studio and in the areas around the studio. Fashion Styling also is an important feature in creating these stunning images. Children must be able to follow direction well.

One image from every shoot will be entered into the fuji-film awards with the chance for you to win £1000.

### Messy Kids - £25

After our successful 2011 Calendar and Exhibition we have decided to keep running this fantastic experience for children.

Also available for birthday parties or add onto a studio session for only £10

# FAQ

Services & Packages - Have another question? Contact us...

## How do I reserve a portrait session?

We highly recommend booking your portrait session in advance to avoid disappointment. At least two weeks in advance for a weekday session or a month in advance for a weekend session.

During peak times, the full non-refundable session fee is due within five days of booking your session to hold your session date. If a payment is not received in this time, your date will be free for another to reserve. We are able to take payment over the telephone.

Please be aware as we photograph children we cannot always guarantee we are running on time, please be aware they may be a small wait in reception before the start of your session.

## How many people can participate in the session?

Please only bring the children who will be participating in the session plus a maximum of two adults. Too many people can make it distracting for the children. Sessions cannot be shared with friends or family. Only one family unit per session, unless a group or wider family photograph is required. This must be discussed with Helen before the session.

## What if I need to postpone my session?

In order to keep things relaxed the studio is reserved especially for your family after booking. Please notify the studio on 0191 5102190, at least 24hrs prior to your session if you need to rearrange your appointment.

If notice is not given your offer will be terminated and you will lose your session fee. The session fee is non-refundable.

Unfortunately if you cancel and need to rearrange an appointment it cannot be retaken on a Saturday, which is our busiest time.

## What if I am late for my session?

Unfortunately arriving late will decrease the time of your session. The session must run on time so the photographers' schedule is not delayed.

## Where is the nearest car park?

Please see our contact us page for directions to the studio.

### Roadside Parking

Foyle Street, Sunderland. The studio is at the top of the street on the corner of Athenaeum and West Sunnyside, opposite Thai Manor.

### Sunnyside Multistorey

Put in 200 High Street West, before you get 200 High Street follow signs for Sunnyside parking, when you come out of car park cross road and cut down the street with Kall Kwik Printers on corner, this street is West Sunnyside, walk straight to bottom of street and my studio is opposite Thai Manor.

The studio is 2 minutes from Sunderland metro station and 5 minutes from Park Lane Bus Station. Google map is the best way to plan a specific journey to the studio.

## What should I wear for the Portrait Session?

The photographs are a combination of full length and

head shots so think about complete outfits. Please take inspiration from our galleries for ideas for what to wear.

## Children and Babies

As these photographs are going to be a part of your home for years to come please prepare your child for the session. Please tidy your child's hair, wash off any temporary tattoos, clean nails and remove any chipped nail varnish. Also be prepared to keep wiping your child's face throughout the session.

For children's portraits, definitely bring several outfits and their favorite toys! Scarves, hats, blankets and other accessories are a must! They look especially cute and unique in images. You are also welcome to bring some fancy dress costumes to add some fun into the session.

If you are having your newborn photographed please could one of the parents bring along a white or black top. This will aid us in some of our typical shots.

Recommended outfits are as follows:

**Outfit one**  
Bright contrasting colours such as Green, blue, pink, red, orange, yellow can be very vibrant.

**Outfit two**  
A simple white t-shirt and a pair of jeans.

**Outfit three**  
A smart outfit such as a suit, christening gown or party dress.

**Outfit four**  
Fancy Dress

## Families

If it's a group shot think about outfits that will compliment each other in color and style.

Blue jeans and a white top can look great! This will give the photograph a beautiful simplistic feel and the fashion will never date.

## Outdoor Sessions

If you would like an outdoor session earth tones such as browns, tans, grays, greens, oranges, whites, blues and some reds, do not be afraid to get wrapped up in hats and scarves.

I will try to take some photographs outside, whatever the weather, so please dress accordingly.

Please do not wear motifs or logos, as they can be very distracting.

## Vintage shoots

Think out of the box! Clash colours and patterns. Don't be scared to layer. Pretty dresses with bright wellies. Tutus for girls, dungarees and trilbies for boys.

## When will I view my images?

Following your session you can choose to view your images on the studio cinema or online.

You can arrange a viewing time where you will be entitled to select from around fifty edited portraits. We can design montages as you sit and have a fantastic system to help you narrow down your images.

If you would prefer to view online for an admin fee of £15 we can create a web gallery this is designed for people who are interested in a single image or CD option.

Sit back comfortably and enjoy your stunning

photographs projected by our studio cinema, accompanied by beautiful music. Bring the tissues, as this will be a special moment.

A 50% fee is required at the viewing stage before we can process your order.

For an admin fee of £15 we can create a web gallery to show the photographs to your friends and family. This will be online for one month and it is the responsibility of the client to call the studio, to order extra prints. Once an order is placed we will deduct the £15 from your final balance.

We accept all major debit and Credit cards. Payment options are available.

## How long will it take to process my order?

After placing your order we will present you with a collection of beautiful portraits in approximately 4 weeks. An express service is available for Christmas and special occasions. The remaining balance will be required on completion of your photographs.

Orders must be placed at the viewing appointment to guarantee a 4 week postproduction time. During busy periods if an order is not placed we cannot guarantee an estimated completion date.

Remember quality takes time; Once an order is placed each image is assessed and retouched ready for print, to produce a stunning piece of art for your home.

We will contact you within four weeks of placing your order. A time must be arranged with the studio to collect your completed artwork. No artwork will be posted as it may be damaged. Adorable angels do not take responsibility for any damages once the work has left the studio. If a client is not satisfied with her product we will gladly resolve the issue.

If an order is not collected within one month from us contacting you, your photographs will be discarded and you will lose your 50% payment fee.

## Is there a minimum spend?

You are under no obligation to purchase any prints if you do not want to. Adorable Angels do not give the hard sale; the quality of our work speaks volume so we don't have to.

I have ideas of my own I would like to contribute to the session.

You can visit our online gallery to see if there are any ideas you may like.

You are also welcome to give Helen a call to chat about the ideas that you may have.
